Established in 2007, Wayne School of Engineering is an innovative school consisting of grades 6-13. Students are provided an honors curriculum with an emphasis on collaboration. In conjunction with high school courses, students are provided the opportunity to obtain a two year associates degree from Wayne Community College. For admittance, a lottery system is utilized to admit rising sixth grade students.

### Grading/GPA/Weighting

Grade	Scale	Standard	Honors	College/AP
A	90-100	4.0	4.5	5.0
B	80-89	3.0	3.5	4.0
C	70-79	2.0	2.5	3.0
D	60-69	1.0	1.5	2.0
F	<60	-	-	-

### Academic Program

- Courses are on a block/semester schedule
- Students can dually enroll starting in grade 9
- Students complete grade level projects along with community service hours in grades 9-12
- Approximately half of high school seniors graduate with a 2-year college degree
- Dually enrolled students work with 2 college liaisons who assist students with course and college planning
- Seniors with at least 30 community college hours have the option to stay a 5<sup>th</sup> year to complete an associate degree
